### What is a ZytoScan?

Say goodbye to generic, one-size-fits-all treatments.

And say hello to personalized care that's tailored just for you.

Simply place your hand on the device for 10 minutes and a personalized report will be created.

**Your best self  
could just be one  
ZYTO Scan away.**

**FDA Approved**

We can't wait to serve you!

# HOW DOES A ZYTOSCAN HELP ME?

By measuring your body for galvanic skin response, a ZYTO scan determines what currently causes your body the most stress - from sleep disturbances to various food sensitivities to environmental contributors and more. From here, it recommends exact nutritional supplements, foods, oils, &/or services your body needs.

# WHAT ELSE DO I NEED TO KNOW ABOUT ZYTOSCAN?

There is no one-size-fits all for wellness! ANYONE can benefit from this, no matter your age. Results can be life-changing. ***This test is not meant to treat or diagnose any illness or disease.***

## Your scan will help with...

- Diet and Nutrition
- Mental/Emotional Stress
- Hydration
- Sleep
